Basic Information

- Place of Origin: Zhejiang, China
- Brand Name: Customized
- Model Number: LK-PC-9XXXX
- Minimum Order Quantity: 500 pieces
- Price: \$0.40 - \$1.50/pieces
- Packaging Details: Packing of CAT6 UTP Flat Patch Cord is 1pc/bag.
- Supply Ability: 50000 Piece/Pieces per Month

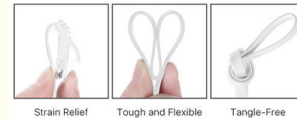

Product Specification

- Type: CAT 6
- Number Of Conductors: 4
- Product Name: CAT6 UTP Flat Patch Cord
- Cable Type: CAT6 Unshielded
- Color: Yellow / Green/ Blue / Green / Grey / Black / White Etc
- Product Length: 0.5m / 1m / 2m/ 3m Or Customized
- Wire Conductor Gauge: 24 AWG
- Conductor Material: Stranded Bare Copper
- Connector Type: RJ45 (8P8C)
- OEM ODM: Welcome
- Package: 1pc/bag
- Port: NINGBO

Ultra Slim Cable Design

Flat cables easily contours to furniture, doors, walls, and conceals under rugs and carpets

Strain Relief

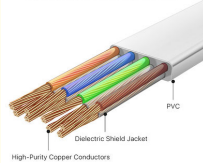

Tough and Flexible

Tangle-Free

Proven Materials to Provide

High Bandwidth, Low Attenuation, and Crosstalk

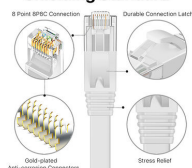

Universal Compatibility

Everything built with an ethernet port
Backward compatible with 4/5/6/7c cable standards

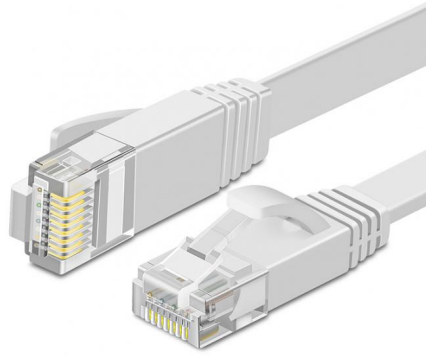

CAT 6 Performance Shielding Standard

Product Description

Product Description

Our Product Introduction

Cat6 UTP Flat Patch Cord

* Snagless RJ45 Connectors provides universal connectivity for LAN network components such as PC desktop laptop, Mac, Macbook Pro, Playstation 4 PS4 PS3, Xbox One, Xbox 360, smart TV, computer server, printer, broadband router, switch box, IP camera webcam, network media player, NAS, VoIP phones, PoE devices, network adapter, hub, broadband DSL/cable modems, patch panels and other high performance networking applications.

* Ultra Slim and Flat Profile: Flat cable design, at a thickness of just 1.5mm, helps avoid tangled cords and saves space. Flat Ethernet cable is super flexible when run under the carpet, behind furniture or bent in the plane of its thin cross-section such as doors, rotating arms, drawers etc, improving the look of your home or office wiring.

* Flat, flexible, and durable Cat6 cable with high bandwidth guarantees high-speed data transfer for server applications, cloud computing, video surveillance, online gaming and online video streaming in ultra HD UDH 4K 4Kx2K or high-definition full HD 1080P/720P.

* The connectors with gold-plated contacts, molded strain-relief boots, and snagless molds resist corrosion, provide durability, and ensure a secure connection.

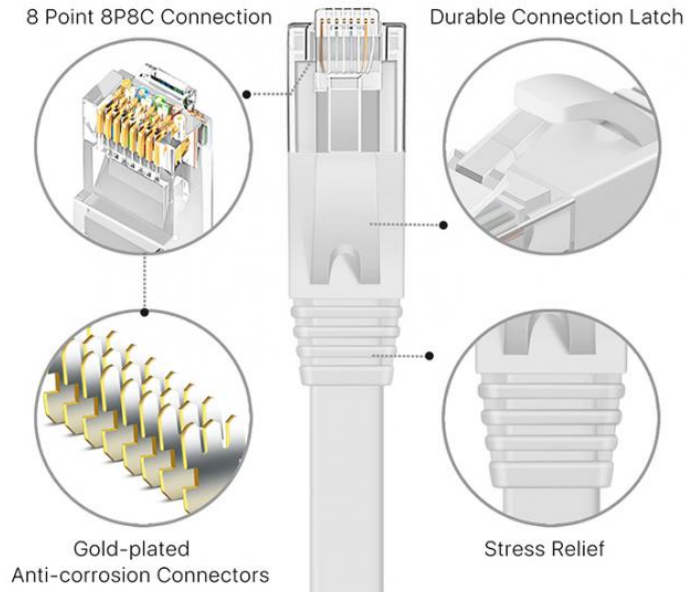

This cable provides exceptional transmission performance and low signal losses. It supports Fast Ethernet, Gigabit Ethernet, and 10-Gigabit Ethernet. It is made out of 4 unshielded twisted pair (UTP) of copper wires with two RJ45 connectors on each end, which provides better immunity from crosstalk, noise, and interference that can degrade the signal quality.

Specification

Product Name	Cat6 UTP Flat Patch Cord
Place of Origin	China
	Zhejiang
Brand Name	Customzied
Cable Type	CAT6 Unshielded
Color	Yellow / green/ blue / green / grey / black / white etc
