

12 Fiber Optical OM4 Corning MPO MTP Connector Fiber Patch Cables

Our Product Introduction

for more products please visit us on polyknitfabric.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: DYS
- Model Number: MPO/MTP
- Price: \$15.00 - \$25.00/pieces
- Packaging Details: Standard or Customize
- Supply Ability: 2000 Piece/Pieces per Week

Product Specification

- Number Of Conductors: ≥ 10
- Fiber Type: OS2/OM1/OM2/OM3/OM4
- Fiber Count: 8/12/24/36/48/72/96/144
- Termination: FIRST END(MPO/MTP) SECOND END(MPO/MTP/FC/SC/LC/ST..)
- Cable Length: 1-999
- Breakout Length First&Second(inches): 12-99(36" Is Typical)
- Outdoor Jacket Material: LSZH,OFNP,OFNR
- Labeling: Standard Or Custom
- Port: Shenzhen Or Hongkong

Product Description

Optical MPO female to MPO female 24 cores singlemode duplex LSZH fiber optic patch cord or Trunk Cable assemblies

We supply MTP and MPO fiber optic cables. These are available in female to female or a male to male and male to female configurations. The male version has MTP pins. These can be made with 12 fiber MTP connectors, 24 Fiber MTP connectors, 48 Fiber MTP connector variations. Many additional options and combinations are available. All multi fiber optic cables are customizable.

Quick Details:

Connector End face: MTP end face geometry requirements: EN50377-15-1

Polishing Quality:: Polished end-face quality: IEC61300-3-35

Our MTP patch cables are designed for data center solutions supporting the topologies such as 10 Gigabit Ethernet, Fiber Channel or Infiniband - as specified in the data center standards EN50173-5 and ISO/IEC 24764.

Specifications

Performance of Assemblies MTP / MPO Termination:

Type/Performance	Singlemode(APC polish)		Multimode(PC / Flat Polish)	
	Standard	Elite Low Loss	Standard	Elite Low Loss
Maximum Insertion Loss	$\leq 0.75\text{dB}$	$\leq 0.35\text{dB}$	$\leq 0.60\text{dB}$	$\leq 0.35\text{dB}$

Return Loss	≥ 50dB	N/A
Operating Temperature	-40°C to 80°C	40°C to 80°C
Test Wavelength	1310nm	850nm

Our advantage and special services:

1. With our own R&D, more completed production lines, advanced production & testing equipments, experienced staffs, we're confident to provide you satisfied quality and service with competitive price and punctual delivery.
2. Rich experiences in OEM&ODM, besides standard items, we can help you design unique new products and put into production. We care about innovation and would like to change for you and grow up with you.
3. Prompt answer for any question or inquiry within 3 hours
4. Using ERP System to ensure that each link is correct.

Company Information

> Company profile

Shenzhen DYS Fiber Optic Technology is a leading company in developing and manufacturing advanced fiber optic products. mainly offer fiber optic indoor and outdoor cable, CPRI waterproof jumper, MPO/MTP jumper, standard fiber optic jumper and PLC Splitter. DYS win the the honorary title of National High-tech enterprise by Shenzhen government in 2014.

With years of experiences in the fiber optic industry, our factory is fully equipped over 3500 square meters and more than 18 non dust production lines. About 200 well-trained staff and engineers are contributing to our proud products. We have 5 production lines for fiber optic cable, 2 high standard MPO/MTP jumper assembly lines, 8 production lines for standard jumper and 10 PLC Splitter production lines.

Advantages

> Our Advantages

Experience

Founded in 2008 is a leading company in developing and manufacturing advanced fiber optic products

Team

About 200 well-trained staff and engineers.

Certificate

ISO 9001: 2008, RoSH, CE, High and New Tech Enterprise Certificate.

Strength

Factory over 3500 square meters and has more than 18 non dust productions lines in total

> Our certificates

All of our optical products are RoHS compliant and DYS also obtained ISO9001, ISO14001 certification. Our high quality products and outstanding service win the customer from all the world, DYS fiber optic is looking forward to cooperate with you

FAQ

1.How many staff's we have?

Answer: About 200 well-trained staff and engineers.

2.When our company be established?

Answer: We started from year 2008.

3.What's our main products?

Answer: DYS dedicates to the developing, production, marketing of the Fiber Optic Cable, Indoor/Outdoor Patch Cord, Splitter, Adapter, Attenuator, and so on.

4.What is the area of the factory?

Answer: Our factory over 3500 square meters and has more than 18 non dust productions lines in total, including 4 production lines for Fiber Optic Cable, 2 high standard MPO/MTP Jumper assembly lines, 8 production lines for standard Jumper and 4 PLC Pplitter production lines.

5 . What certificate we have?

Answer: ISO 9001: 2008, RoSH, CE, High and New Tech Enterprise Certificate.

6.How to contact us?

Answer: Please email us by dys@dys-fiber.com or call us directly with number + 86 0755 86705595.
