

FTTH Indoor 12 core fiber optic cable OM3 / optical fiber distribution cable

Our Product Introduction

for more products please visit us on polyknitfabric.com

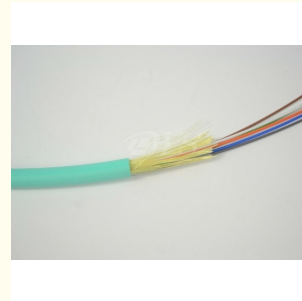

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: OEM
- Model Number: 12 cores distribution cable, GJFJV
- Price: \$0.48/meters >=1 meters
- Packaging Details: 2KM/Wood Spool
- Supply Ability: 10000 Kilometer/Kilometers per Week

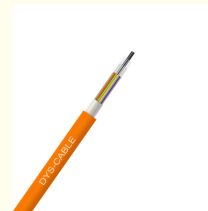

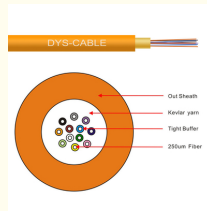

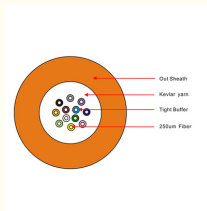

Product Specification

- Type: Fiber Optic Cable
- Use: FTTX
- Jacket Color: Aqua
- Diameter: 4.8mm
- Material: PVC, LSZH, OFNR, OFNP
- Cable Weight: 25 Kg/km
- Tensile Strength: 200/660
- Crush Resistance: 300/1000
- Bending Radius: 20D/10D
- Operating Temperature: -20 -60
- Certificate: ISO
- No. Of Fiber: 12.
- Single-Mode Fiber: G657A1,G657A2,G655,G652D
- Multi-Mode Fiber: OM1,om2,om3,om4
- Port: Shenzhen

Product Description

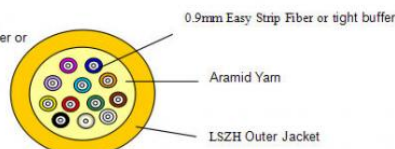

FTTH Indoor 6 core fiber optic cable OM3 / optical fiber distribution cable

Distribution Cable

Excellent characteristics, content with different requirement indoor, Include: buildings, lift well, FTTH. It can supply bandwidth, transmission speed, data, TV and image. Characteristic: small diameter, light weight, flexibility. So it is easy to installation, maintenance and manage.

Characteristic

1. Excellent stripping performance of tight buffer fiber or Easy Strip Fiber
2. Cable diameter and bending radius small, it can installation freely in narrow room.

Parameters

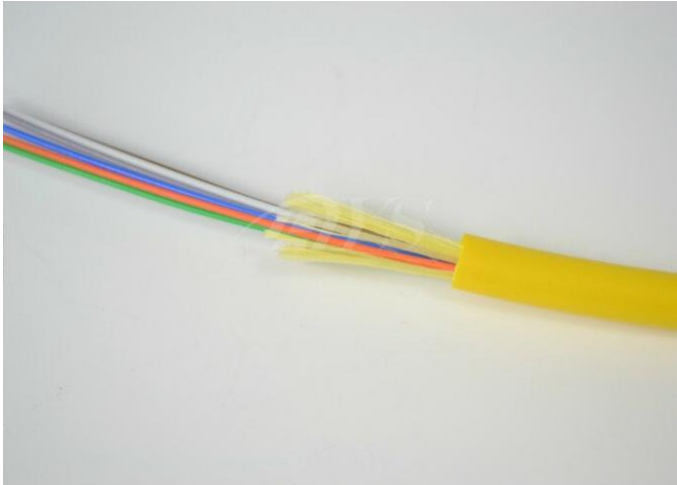

Fiber	Cable Dimension	Cable Weight	Tensile N	Crush N/100mm	Min. Bend Radius mm	Range of Temperature
-------	-----------------	--------------	-----------	---------------	---------------------	----------------------

Count	mm	kg/km	Long Term	Short Term	Long Term	Short Term	Dynamic	Static	
4 core	5.0	17	100	200	200	1000	20D	10D	-20-+60
6 core	5.2	21	100	200	200	1000			
8 core	5.5	28	130	440	200	1000			
12 core	6.5	36	200	660	200	1000			
16 core	7.5	44	200	660	200	1000			
24 core	8.2	60	200	1000	200	1000			
48 core	12.5	130	300	1000	200	1000			

Note:

1. All the values provided in the table, which are for your reference, are subject to change without notice;
2. The cable dimension and weight are in accordance with tight-buffered fiber with $\phi 0.9$ mm outer diameter;
3. D is outer diameter of the round cable;
4. The minimum bend radius (static) is 5D when G.657 fiber is used.

Company Profile

> Company profile

Shenzhen DYS Fiber Optic Technology is a leading company in developing and manufacturing advanced fiber optic products. mainly offer fiber optic indoor and outdoor cable, CPRI waterproof jumper, MPO/MTP jumper, standard fiber optic jumper and PLC Splitter. DYS win the the honorary title of National High-tech enterprise by Shenzhen government in 2014.

With years of experiences in the fiber optic industry, our factory is fully equipped over 3500 square meters and more than 18 non dust production lines. About 200 well-trained staff and engineers are contributing to our proud products. We have 5 production lines for fiber optic cable, 2 high standard MPO/MTP jumper assembly lines, 8 production lines for standard jumper and 10 PLC Splitter production lines.

Our Advantages

> Our Advantages

Experience

Founded in 2008 is a leading company in developing and manufacturing advanced fiber optic products

Team

About 200 well-trained staff and engineers.

Certificate

ISO 9001: 2008, RoSH, CE, High and New Tech Enterprise Certificate.

Strength

Factory over 3500 square meters and has more than 18 non dust productions lines in total

> Our certificates

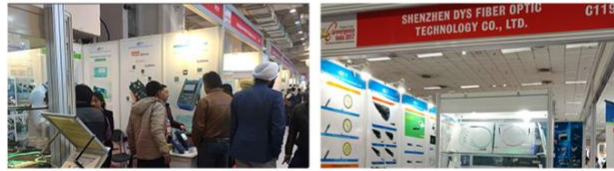

All of our optical products are RoHS compliant and DYS also obtained ISO9001, ISO14001 certification. Our high quality products and outstanding service win the customer from all the world, DYS fiber optic is looking forward to cooperate with you
